

 | **ARMSTER** 
The Standard Armrest

— New segment was born

The armrest only with **STANDARD functions: arm resting and storage**

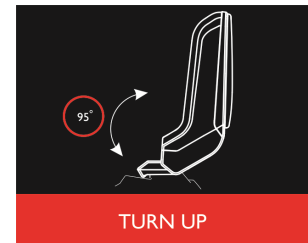

Standard without compromise:

- OEM quality,
- 100% EU manufactured,
- first class materials,
- unmistakable ARMSTER design.

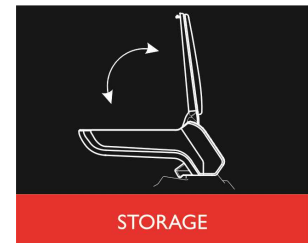

ARMSTER S creates a new standard_

- _ Targeting low-cost car segment
- _ Extending limits of the OEM quality
- _ Focusing on price-value
- _ Inserting into the current ARMSTER design
- _ Providing First Class Comfort

Entry-level armrest with_

- _ Soft padded roof surface
- _ Practical storage room
- _ Turning up between seats
- _ Armster design
- _ Increased loadability and durability*
- _ 3 years warranty

* Compared to ARMSTER1: loadability up to 80 kg _ durability dynamically tested
